

# Lithium Battery

## (1) Features:

Model	Energy Storage Lithium Battery
Capacity	7-1000 mAh
Voltage	12 V
Warranty	12 months
Cycle life	2000 Times
Safety protection	Overcharge, over discharge, over current, short circuit protection
Battery size	Customized size

## (2) Product advantages:

- 1.High energy density
- 2.About 1/3 the weight of lead-acid batteries
- 3.Have no environment pollution
- 4.No memory effect, 2000 times cycle-life
- 5.Safe and reliable, non-explosive under piercing, non-incinerated under over voltage,Low self discharge
- 6.Prefect for energy storage and power tool use

## (3) Why choose us:

1. Well-trained and Effective Team, More than 10-year battery experience
2. Excellent R&D Equipment, Advanced Automated Equipment
3. Perfect Product Supporting Facilities, Strict Quality Control
4. Effective cost management, Best After-sale service
